MEMORANDUM FOR CHIEF OF STAFF, ARMY

SUBJECT: CSA Foreign Counterpart Visits Program for CY 82 -
DECISION MEMORANDUM

1. (U) Purpose: To inform CSA of Field recommendations for the 82 VIP program; to integrate those CSA directed visits into the program; and to obtain CSA approval to extend invitations for the outlined periods to the designated foreign counterparts.

2. ~~(C/NoForN)~~ Discussion:

a. The MACOMS, US Embassies, USDAOs, and the Army Staff have submitted the listed nominations for participation in the CY-82 foreign counterpart program. Coordination has been completed with OSD/ISA, State Department, DIA, USAF, USN, and the Army Staff.

b. Several of the proposed invitees were directive in nature, as reciprocals for CSA overseas visits, and do not necessarily follow in priorities recommended by the Field. Further considerations in compiling the list were given to one Black African country, and the recent Conference of American Armies. Although CSA desired to extend invitations to Brazil, Indonesia and India, circumstances precluded these countries from being included. Brazil, Gen Marques, attended CAA, and therefore is not eligible under Brazilian law to visit this country again until 1983. The Indonesian CSA has regretted our feasibility message until after the Indonesian head of state visits the US. The country team has withdrawn their recommendation for India to visit the US, due to political climate.

c. The listed dates have been coordinated with CSA calendar, and do not conflict with projected CSA overseas travel during CY-82.

d. The list of recommended foreign counterparts and alternatives follows:

(1) 18-26 Jan
(Wash, DC 25-26 Jan)

Gen Sumio MURAI
Chief of Staff
Japan Ground Self Defense Force

SUBJECT: CSA Foreign Counterpart Visits Program for CY 82 -
DECISION MEMORANDUM

General Murai was extended a reciprocal invitation, by CSA, during a recent visit to Japan. Traditionally, the first O-Japan visit made by incoming JDF ranking personnel is to the US.

- (2) 15-24 Feb Gen Amadeu GRACIA dos SANTOS
(Wash, DC 23-24 Feb) Chief of Staff
Portuguese Army

USCINCEUR top nomination. Gen Gracia dos Santos' predecessor was extended an invitation last year. The visit never materialized as the former CofS was relieved. Portuguese authorities requested the invitation be re-issued to Gen Gracia dos Santos. USCINCEUR justification: Gen Gracia dos Santos was named Chief of Staff in mid-1981. He is pro-American and is committed to maintaining a close relationship between the Portuguese Army and US Army. Note: There have been no ranking Portuguese visits to the US Army in four years.

- (3) 22-31 Mar MG Rolv EIOS
(Wash, DC, 30-31 Mar) Inspector General
Royal Norwegian Army

MG Eios was extended a reciprocal invitation, by CSA, during a recent visit to Norway.

- (4) 5-14 Apr Gen. Josephus Q. RAMAS
(Wash, DC, 13-14 Apr) Commanding General
Philippine Army

BG Ramas was the #1 nomination from the CDRWESTCOM. BG Ramas served with the US Forces in WWII. He is extremely friendly toward the US. BG Ramas is expected to remain as the Chief for several years. WESTCOM justifies the visit in view of the upcoming base renegotiations, and the fact that BG Ramas is extremely close to MG Fabian Ver (Presidential Security Command), the most influential officer in the Philippines Armed Forces.

- (5) 10-19 May Gen Sir Edwin BRAMALL
(Wash, DC, 18-19 May) Chief of the General Staff
British Army

Gen Bramall was extended a reciprocal invitation, by CSA, during a visit to UK several months ago.

(6) 1-9 Jun
(Wash, DC, 1-2 Jun)

Gen Jean Yves Lionel DELAUNAY
Chief of Staff
French Army

Gen Delaunay was extended a reciprocal invitation by CSA during a recent visit to France. USCINCEUR also recommended Gen Delaunay visit CONUS. Justification follows: Gen Delaunay assumed his position in Oct 1980 and is expected to remain for at least four years. He is considered a firm friend of both US and NATO. Gen Delaunay's position as Commander in Chief of largest land Army in Western Europe makes him center of power and influence within French military. Chief of Staff of Armed Forces (Chairman, JCS equivalent) has normally been an Army Officer and, therefore, Gen Delaunay's chance of succeeding to this position is quite good. Further, in view of recent public comments made by French President concerning TNF, it would seem that invitation to Gen Delaunay could only improve our relations with France.

(7) 19-28 Jul
(Wash, DC, 27-28 Jul)

LTG Edward L.M. DEWILDER
Chief of Staff
Belgium Army

Recommended in the #2 slot by USCINCEUR. Two of LTG DeWilder's predecessors were scheduled to visit the US, both died before the visits materialized. USCINCEUR recommendation follows: Belgium is currently making decisions on LOC matters, acquisition of attack helicopters, self-propelled howitzers, and NATO AWAC'S. His positive influence in these strategically and politically important matters could be of great significance. An invitation to LTG DeWilder would be a clear indication of US interest and degree of importance US gives Belgian Forces. It would also greatly enhance future relations and cooperation with this key ally.

(8) Aug

No visit scheduled, due
to full CSA calendar.

(9) 20-29 Sep
(Wash, DC, 28-29 Sep)

Gen Luis NARVAEZ Churion
Commanding General
Venezuela Army

Gen Narvaez's predecessor, Gen Marin, was invited to visit CONUS in 1981. Venezuelan Presidential intervention prevented the visit from coming to pass. It appears that the decision to replace Marin was made prior to our extending last year's invitation. The Venezuelan Government had requested we hold the invitation open for 82. Justification from USCINCSO follows:

DAMY-FLT

SUBJECT: CSA Foreign Counterpart Visits Program for CY 82 -
DECISION MEMORANDUM

Venezuela is a strong and influential Latin American Democracy that is developing a high interest in regional and hemispheric security. Venezuela military is friendly to the US and appears to be beginning to see the need for cooperation with the US in the Caribbean area. An invitation to General Narvaez to participate in the FY82 VIP tour would demonstrate to Venezuela that the US looks upon Venezuela as a full partner in influencing situations in other Latin American countries in our favor. MGen Narvaez Churion is definitely pro-US. His openness and candidness concerning the needs of Venezuelan Army has enabled this office to have access to previously denied information. The entire Army Staff has suddenly opened their doors to DAO personnel. MG Narvaez is perhaps the strongest leader in the Venezuelan military scene and appears to have the President's confidence. He is anti-communist and quite aware of the Soviet-Cuban threat to de-stabilize the region. His US military education has firmly convinced him that his Army needs to be closely tied to the US Army for training, doctrine, and logistical support.

(10) 18-27 Oct
(Wash, DC, 26-28 Oct)

LTG Gibron S. JALO
Chief of the Army Staff
Nigerian Army

Each year we attempt to invite at least one Black African country to the US. Last year's attempt failed when Gen Elanga from the Congo dropped out "due to Soviet political pressure". LTG Jalo is USCINCEUR's third priority recommendation. Justification follows: Nigerian Army is on the verge of a major modernization program and is looking to US for assistance. Nigeria occupies unique position of leadership in Sub-Sahara Africa due to its size, population, and wealth. As second largest supplier of oil to US, our third largest FMS customer, and highly influential member of OAU, Nigeria continues to be critical to US interests in Africa.

(11) 15-24 Nov
(Wash, DC, 23-24 Nov)

LTG Abdul Muhsin Ali al-UMRAN
Commander
Saudi Arabia Land Forces

This year's proposed Middle East representative. USCINCEUR justification follows: LTG Umrn is highly competent and much respected officer. As Commander of Saudi Arabian Land Forces (SALF), he has shown himself to be progressive and forward thinking with strong US orientation. Under his guidance, massive modernization program undertaken by Saudi Arabia is not paying dividends sought. At same time, Saudi Arabia has taken on even greater significance as friendly moderate power in Arab World. Overt display of support for special US-Saudi relationship is even more appropriate after recent events between Israel and Iraq. It would highlight value we place on Saudi's as moderating force in Middle East. We believe LTG UMRAN is an excellent and timely candidate for participation in this program.

MEMORANDUM FOR: HEADS OF ARMY STAFF AGENCIES

1. Reference: AR 550-2, dated 14 December 1973.
2. The Department of the Army VIP Tours Program for FY81 will be formulated and administered by the Assistant Chief of Staff for Intelligence, with the assistance and cooperation of the Department of the Army Staff. The recommendations of DA Staff agencies, overseas commanders, MAAG's, Missions, US Army Attaches, and any recommendations received from sources outside the Department of the Army will be considered in developing the program for FY 81.
3. In considering countries for inclusion in this program, the major determining factor should be the benefit accrued to the United States Government and the US Army. For each country recommended, a complete justification, relative priority, and a tentative time frame for the visit will be included in the proposed program. Twelve visits, one for each month, will be planned, programmed and budgeted for during the fiscal year.
4. ACSI will issue a message outlining the criteria for recommendations by 1 March 1980. The proposed DA VIP Tours Program for FY 81 will be submitted to the Chief of Staff by 1 July, 1980.

MEMORANDUM FOR CHIEF OF STAFF, ARMY

SUBJECT: CSA Foreign Counterpart Visits Program - DECISION
MEMORANDUM

1. (U) Purpose: To respond to CSA query reference the foreign counterpart program (Tab A), and obtain approval for proposed invitee changes for the remainder of CY 81.

2. ~~(C/NOFORN)~~ Discussion:

a. ROK Chief of Staff was not extended invitation for FY 81 due to the recommended priority standing submitted by CINCPAC. Furthermore, there was an exceptionally large number of ROK visitors scheduled for 81 on a self invited basis and by CJCS and the other services.

b. Gen. Edwin Bramall is scheduled to visit CONUS in April/May 82 per your coordination 8 Jan 81 (Tab B).

c. As is customary, DAMO is preparing responses to invitations extended by Spain and Tunisia to CSA.

d. This year's CSA Foreign Counterpart Program has been plagued by a number of unforeseen and unexpected cancellations (Tab C originally approved 81 program). Four months prior to a projected visit, DAMI sends US ARMA's a feasibility message (example at Tab D). The message outlines the proposed dates and parameters of the visit. The USARMA, after coordination with the invitee's staff, verifies that the visit dates are satisfactory. At times DAMI receives a quick response, as in the case of Tab D above. At other times it takes a month or more for the feasibility to be processed through the invitee's bureaucracy. The signed invitation from CSA is immediately dispatched following the response to the feasibility message. DAMI has determined four months prior to the visit is a safe margin for dispatch. The four months time frame permits the principal sufficient planning time, and provides a fair gauge of the political climate between the US and invitee's nation.

SUBJECT: CSA Foreign Counterpart Visits Program - DECISION
MEMORANDUM

e. This year the program suffered for the illness, which caused us a delay, and then the untimely death of LTG Ameryckx of Belgium. The last minute cancellation of MG Marin of Venezuela, who had accepted the invitation, was unexpected even by the invitee. The President of Venezuela cancelled the trip the day before MG Marin was to leave. Gen. Cordoso, Chief of Staff, Portugal, was unexpectedly relieved of his command (Tab E). Col. Ngollo, Chief of Staff, Congo, was promoted on short notice. His successor was presented an invitation after pressure was exerted by State Department and ISA. The invitation was declined, due to a planned Congolese Presidential trip to Russia (Tab E).

f. LTG Gzara was moved up and visited the US in lieu of LTG Cordoso, Portugal. LTG Gabeiras visited CONUS as scheduled. MG Poananga, Chief of Staff, New Zealand, will visit as scheduled. Changes will have to be made in July, as the Brazilian Chief will be promoted during the time frame we had his visit to CONUS programmed (Tab G). Gen. Carrasco, Chile, will visit US as guest of VCSA in July (Tab H). The invitation for Gen. Galtieri, Argentina, has been sent four months in advance. LTG Belzile, Canada, (Tab I) will be invited in September. A feasibility message demonstrated he will accept the invitation. His predecessor, LTG Paradise, declined a US invitation last year due to ill health. LTG Paradise has been medically retired. Gen. Poniman, Chief of Staff, Indonesia, invitation for Oct. will be sent out shortly along with LTG Belzile's. Col. Elanga, Congo will be extended an invitation for November, as BG Gzara (Tab J) originally scheduled for the Nov. visit has already visited.

provide an opportunity to demonstrate US

Col Raymond Damasse NGOLLO,
Chief of Staff, Congolese
Army

Each year DA attempts to have a representative from
a black African country included in the CSA Counter-

countries do not play as major a role in international
politics individually, together as Third World nations
they often have an impact. Congo was nominated this
year by Ambassador Swing, who feels an invitation to
Col NGOLLO, could open the door to the Congolese who
are seeking to establish relationships with the West,
and remove themselves from what the Congolese consider
excessive Soviet influence. DCSOPS highly recommends
this nomination.

Belgium is currently facing decisions on LOC matters and the acquisition of new medium self-propelled Howitzers, Attack Helicopters, and Anti-Tank Missiles. Government announced decision to reduce US Defense Liaison Group military personnel, relations have been cool at best. This decision reflected appearance of long standing US neglect: reduction of FMS and IMET, reduction in PL 480 assistance and lack of exchange of high level visits. Army plays large political role in country and this would be a good initiative for showing US interest in an important ASEAN country.

15-15 Nov (24-25 in Wash)

Brigadier General
Mohamed Ben Salah GZARA,
Chief of Staff, Tunisian
Army

Tunisia's location approximately midway between the Suez Canal and Gibraltar and commanding the narrow passage between North Africa and Sicily, accords it a strategic importance greater than its size and resources would indicate. This importance has increased in recent years with instability in the Eastern Mediterranean and the movement of the Arab League to Tunis. Tunisia's pro-US orientation and moderating influence in Arab political circles is of particular importance. The Tunisian Army is a relatively small force looking at the impressive forces of the radical states of Libya and Algeria. An invitation to BG GZARA would serve to reassure Tunisia of the continuing US friendship and interest in the security of this small strategically located country. The DA VIP tour would serve to reinforce BG GZARA's previous tour at the armor school in 1961.

2. SUMMARY. CHIEF OF STAFF ELENGA TOLD AMBASSADOR AT MEETING APRIL 25 THAT, DUE TO SHORT TIME USE AND UNUSUALLY BUSY SCHEDULE INCLUDING NECESSITY FOR HIM TO BE PRESENT AS A MEMBER FOR THE NATIONAL ASSEMBLY MEETING IN SAME PERIOD, HE DEEPLY REGRETTED THAT, ALTHOUGH HE HAD PRESIDENT SASSOU'S AGREEMENT TO ACCEPT GENERAL AND MRS. MEYER'S KIND INVITATION, HE WOULD BE UNABLE TO COME ON THE MAY DATES FORESEEN. ELENGA EXPRESSED GREAT CONSTERNATION THAT BECAUSE OF HIS INABILITY TO TRAVEL IN THIS PERIOD THE INVITATION MIGHT BE WITHDRAWN ALTOGETHER. AMBASSADOR REASSURED HIM ON THIS POINT, STATING THAT ALTHOUGH CLEARLY HE COULD NOT SPEAK FOR THE PENTAGON OR GENERAL MEYER, HE WOULD RECOMMEND THAT THE INVITATION BE RE-EXTENDED FOR LATER DATES AND REQUESTED WRITTEN GPRC CONFIRMATION OF ELENGA'S ACCEPTANCE. END SUMMARY.

3. AN EMBARRASSED AND OBVIOUSLY DISAPPOINTED COLONEL ELENGA INFORMED AMBASSADOR APRIL 25 THAT, ALTHOUGH UP UNTIL THE 24TH OF APRIL WHEN WE ALSO SPOKE HE STILL HELD OUT HOPE, IT WAS NOW CLEAR THAT HE WOULD NOT BE ABLE TO COME TO THE US ON THE MAY 3-14 DATES FOR WHICH HE WAS INVITED. THERE WERE A VARIETY OF REASONS, ALL RELATED TO HIS OVERBURDENED CALENDAR:

--FACT THAT HE HAD JUST TAKEN OVER HIS NEW AND ENLARGED RESPONSIBILITIES AS CHIEF OF STAFF.

--HIS PREPARATIONS FOR THE ANNUAL MAY ONE MILITARY PARADE AND UPCOUNTRY MANIFESTATIONS IN THE WEEK FOLLOWING.

--FACT THAT HE HAD NOT YET COMPLETED HIS INTRODUCTORY VISITS TO VARIOUS MILITARY ZONES IN THE VARIOUS REGIONS TO BE PRESENTED AS THEIR NEW COMMANDER.

--HIS CONTINUING RESPONSIBILITIES AS THE PRESIDENT OF THE CONGOLESE ASSOCIATION FOR FRIENDSHIP AMONG PEOPLES (ACAP).

--BUT, ABOVE ALL, THE NECESSITY THAT HE AS AN ELECTED MEMBER

OF THE NATIONAL PARLIAMENT BE PRESENT FOR ITS ANNUAL ADMINISTRATIVE SESSION OF FORTY-FIVE DAYS WHICH BEGINS IN SAME PERIOD OF PROPOSED VISIT.

4. COLONEL ELENGA SAID THAT HE HAD AUTHORIZATION IN PRINCIPLE TO ACCEPT THE INVITATION BUT THAT HE WAS UNABLE TO GET AGREEMENT ON THE DATES DUE TO THE AFOREMENTIONED REASONS. IN ADDITION, THE PRESIDENT AND THE OTHER AUTHORITIES WERE MEETING IN ROUND THE CLOCK SESSIONS OF THE CENTRAL COMMITTEE UNTIL APRIL 30 TO CONSIDER THE CONGO'S NEW FIVE YEAR PLAN, AND THERE WAS NO POSSIBILITY HE WOULD BE ABLE TO GET THEM TO CONSIDER THE DATES AND DETAILS OF THE VISIT IN TIME TO DEPART FOR A MAY 5 ARRIVAL. (FYI, ASSISTANT SECRETARY OF STATE-DESIGNATE FOR AFRICA CROCKER ALSO RAISED VISIT OF ELENGA DURING HIS BILATERAL MEETINGS IN BRAZZAVILLE ON APRIL 18. END FYI.)

5. IN RETURN FOR AMBASSADOR'S PROMISE TO INTERVENE WITH DOD IN ORDER TO SAVE THE INVITATION FOR A LATER DATE, ELENGA, AT AMBASSADOR'S INSISTENCE, UNDERTOOK TO OBTAIN THE PRESIDENT'S AUTHORIZATION FOR THE VISIT IN WRITING WHICH THE AMBASSADOR WOULD THEN TRANSMIT TO DA VIP TOURS PROGRAM.

6. IN MEANTIME EMBASSY, IN COORDINATION WITH DAO KINSHASA, WILL CONTINUE TO DEVELOP BIOGRAPHIC DATA AND OTHER INFORMATION REQUESTED IN CONNECTION WITH THE ELENGA VISIT.

7. AMBASSADOR REQUESTS THAT HIS BEST REGARDS AND APPRECIATION BE EXTENDED TO GENERAL MEYER FOR THE INVITATION TO ELENGA WHICH IS HIGHLY SUPPORTIVE OF OUR MISSION OBJECTIVES IN THE CONGO. WE SHOULD ALSO LIKE TO APOLOGIZE MOST SINCERELY FOR INABILITY TO OBTAIN THIS DECISION SOONER AND URGE THAT RAIN CHECK BE EXTENDED TO ELENGA FOR LATER DATE, PREFERABLY IN CURRENT CALENDAR YEAR.

8. COMMENT: WE BELIEVE THAT COINCIDENCE OF VISIT DATES WITH PRESIDENT SASSOU'S MAY 12-13 TRIP TO MOSCOW MAY ALSO HAVE INFLUENCED REQUEST TO POSTPONE VISIT TO US UNTIL LATER TIME.

MEMORANDUM THRU ~~DEPUTY CHIEF OF STAFF FOR OPERATIONS AND PLANS~~

025/3/81

FOR CHIEF OF STAFF, UNITED STATES ARMY

SUBJECT: US Policy toward Chile (U)--DECISION MEMORANDUM

1. (C) PURPOSE. To respond to CSA's 20 March 1981 guidance pertaining to need to alert CJCS and SECDEF to perceived balance problem with US Initiatives directed at Argentina and Chile.

2. (C) DISCUSSION.

a. It is in US interest to maintain equitable relations with Chile and Argentina. The unresolved Beagle Channel dispute between these two nations makes balanced treatment of Argentina and Chile especially important. Additionally, Chile's position astride Strait of Magellan makes it strategically important for movement of US forces--particularly in event Panama Canal becomes inoperable.

b. In recognition of strategic importance of Argentina and Chile, and need to improve military relations with these countries, JCS sent memorandum (TAB B) to SECDEF on 19 February 1981 requesting that steps be taken on priority basis to lift legislative restrictions which preclude security assistance for these countries.

c. OASD/ISA responded to JCS request with 17 March 1981 memo (TAB C), which indicates that SECDEF and SECSTATE agree with JCS position and have decided to support removal of security assistance restrictions as they apply to Argentina and Chile.

d. Because of recent visit to Washington of Argentine President-Elect Viola, projected April 1981 CSA visit to Argentina, and Administration decision to request congressional repeal of Argentine security assistance restrictions first, there are indications that Chilean government is interpreting these moves as US tilt in favor of Argentina. Perceptions obtained by GEN(Ret) George Underwood following recent visit to Chile (as personal guest of President Pinochet) corroborate Chilean concerns.

e. There has been some US movement toward improving relations with Chile, as evidenced by February 1981 decision to reinstate Export-Import Bank guarantees and decision to invite Chile to participate in next year's UNITAS naval exercise. Further, US recognized Chilean human rights progress at recent UN meeting. By comparison, US initiatives directed at Chile are not of same magnitude as those directed at Argentina. Chilean government implication in 1976 Letelier assassination, September 1979 Chilean Supreme Court decision not to extradite

three implicated Chilean officers, and Chilean government reluctance to investigate allegations have complicated US-Chilean relations. In late November 1979, US undertook reprisal actions, which included withdrawing US Military Group, terminating FMS pipeline, withdrawing EX-IM bank guarantees, and reducing size of other US mission activities in Chile. US also refused to invite Chile to participate in 1980 UNITAS exercise and publicly criticized 1980 constitutional plebiscite.

g. To ensure Chile is treated equitably and prevent misperceptions of US tilt toward Argentina, we need to show by policy and action that there is no bias. US-Chilean relations should be placed on IG agenda early and that group should develop time-phased action plan to correct misperceptions and create more productive relationship.

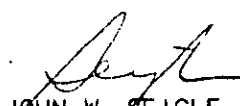

h. From military standpoint, action plan might include early decision to resume FMS pipeline deliveries; May visit by USCINCSO to Argentina and Chile; OVCSA invitation for Deputy CINC, Chilean Army to visit US; summer/early fall move by Administration to obtain congressional repeal of security assistance restrictions; and informal discussions with Chilean Military Attache to US and Chilean delegation at IADB.

i. Because of unfavorable press reactions to February 1981 actions relating to Chile and fear that Congress may balk at further efforts to move too fast, too soon in support of military regimes, action plan suggests that Congress not be approached on repeal of security assistance restrictions as they apply to Chile until summer/fall 1981 timeframe.

j. OACSI, POLAD to CSA, and OVCSA concur. OASD/ISA and J-5, OJCS have been informed. USCINCSO concurs with need to visit Argentina and Chile in May 1981.

3. (U) RECOMMENDATION. CSA approve and sign memorandum at TAB A, which requests early IG on Chile and forwards action plan for improving US-Chilean military relations.

MEMORANDUM THRU CHAIRMAN, JOINT CHIEFS OF STAFF

FOR THE SECRETARY OF DEFENSE

SUBJECT: US Policy Toward Chile (U)

1. ~~(S)~~ The Army is pleased that you and the Secretary of State support the resumption of security assistance to Argentina and Chile. The resumption of such assistance should go a long way toward building a balanced Latin American policy and relationships which support our security interests in the region. The recent initiatives directed toward improving relations with Argentina (President-Elect Viola's visit, the Administration's move to repeal Humphrey-Kennedy Amendment, and approval of my visit to Argentina) are positive and useful steps with respect to US-Argentine relations. There are indications, however, that our increase in attention toward Argentina is being misperceived by the Chilean government. GEN(Ret) George Underwood, former USCINCSO (1971-73), reinforced our concern about Chilean misperceptions last week, following a visit to Chile as the personal guest of President Pinochet.

2. ~~(S)~~ During private conversations with Pinochet and other high ranking officials, GEN Underwood was told that the Chileans interpret current US policy initiatives toward Argentina as meaning one, or possibly all, of the following things:

- Argentina is much more important to the US than Chile.
- Argentina's human rights practices are more acceptable to US policymakers than those of Chile.
- The pending resumption of security assistance to Argentina is a clear indication that the US is arming a potential enemy.

The above perceptions are, of course, incorrect.

3. ~~(S)~~ There has been some movement in the past month toward improving our relations with Chile as evidenced by the lifting of export-import guarantees, the UNITAS (Inter-American naval exercise) invitation, and US recognition of Chilean progress in the human rights area at a recent UN Human Rights Commission meeting. Despite these efforts to put our relations with Chile on a more productive footing, the steps we've taken so far are less significant than the actions taken toward Argentina.

SUBJECT: US Policy Toward Chile (U)

4. ~~(C)~~ In light of Chilean concerns, US policies toward Chile need to be examined at the earliest possible time, so that we can undertake actions which will allay Chilean concerns. Given our forward momentum on Argentine matters, it would seem prudent to accelerate addressal of Chilean policy issues by an IG at the earliest opportunity. The attached action plan outlines several ideas in the military vein which should be considered as we look for initiatives to improve our overall relationship with Chile in a way that leaves all parties satisfied. Among the most promising military initiatives are the reestablishment of the US Military Group in Chile; a May 1981 visit by USCINCSO to Chile and Argentina; an invitation for the Deputy CINC, Chilean Army, to visit the US; and a late summer/early fall 1981 Administration move to obtain repeal of the congressionally mandated restriction on security assistance.

ACTION PLAN

<u>ACTION</u>	<u>IMPLEMENTER</u>	<u>DATE</u>	<u>RATIONALE</u>
- Take steps to reopen FMS pipeline that was terminated in Dec 79.	State	April 1981	There is no congressional restriction on providing items in FMS pipeline. Administration took action in Dec 79 as result of Letelier assassination. Resumption of pipeline would be positive move toward improving US-Chilean relations.
- Publicly announce that US Military Group to Chile will be reinstituted.	State	April 1981	Military Group was removed by Administration in December 1979 in response to Chilean supreme court decision not to extradite Chilean officers implicated in Letelier assassination. Announcement that Military Group will return will be positive signal.
- Informally notify Chilean Attache in US and Chilean delegation to IADB that recent improvement in relations with Argentina is not directed against Chile and that US initiatives to balance relations with Chile are being developed.	DOD US Chairman to IADB	April 1981	Will provide clarification to Chilean military.
- Army Vice Chief invites counterpart, Deputy Chilean Army CINC, to visit United States in Summer 81.	US Army	April 1981	Send positive signal to Chile of importance US attaches to that country.
- USCINCSO visits Chile and Argentina.	Joint Staff	May 1981	Show high level and balanced attention to both countries.
- Explore personnel exchange possibilities with Chile and Argentina.	Services	June 1981	Designed to establish meaningful military-to-military contacts.
- State submits formal request to Congress to repeal restrictive portions of Arms Export Control Act as it applies to Chile.	State	Summer/Fall 1981	To demonstrate balance with Argentina. Because of expected congressional/interest group backlash, repeal of restrictions should not be sought until Summer/early Fall 81. Chileans should be told what we intend to do, however.
- Include Chile on visit by DESSECDEF Carlucel to Latin America.	DOD	Fall 1981	Demonstrate balance.
